WAVEC SEMINAR – B2B MEETINGS

Portugal and France

A driving force on research and innovation in Marine Renewable Energies

17TH NOVEMBER 2015
VENUE: French Embassy
Lisbon, Portugal

B2B Event - Atlantic Partnerships on Research and Innovation in Marine Renewables

WHY BE PART OF THE INTERNATIONAL B2B MEETINGS?

- To learn about the cooperation strategies, business models and funding mechanisms dedicated to marine renewables
- To discover the opportunities of Portugal as a strategic partner in the European market of marine renewables
- To meet your future partners and customers
- To present your know-how and your experience in this area to future partners
- To learn from the world leader actors and to share the latest technologies

Be part of the International B2B Meetings to find the right partners!

These meetings will take place on November 17th at the French Embassy, Lisbon, from **10:00 am to 5:00 pm**.

The 20 minutes face-to-face meetings are organized by Enterprise Europe Network.

REGISTER BEFORE the 4th of November on the following link: <http://marinerenewables2015.talkb2b.net/en/>

Language: English
