

Enterprise Europe Network Singapore 2016

Industry sector	Business nature	Products/services	Proposition	EEN Singapore Member
Finance, Business & Professional Services, Information Processing & Systems, Software, Supply Chain Management Consulting Solution, IT solution Architect	We provide Operations Management (Manufacturing, Trading, Supply Chain and Logistics) Consulting and Productivity Consulting Services as well as Software Solutions Provider (includes ERP, Office Automation and Computer Modelling Services).	Our Consulting Services includes both IT as well as Operations Management. Our Software Products includes Business Intelligence, Human Resources Management, Inventory and Production Planning Solution and we build all kinds of Specialized Computer Models for our clients.	Business Request	Singapore Manufacturing Federation
Finance, Business & Professional Services, Information Processing & Systems, Software, Supply Chain Management Consulting Solution, IT solution Architect	We provide Operations Management (Manufacturing, Trading, Supply Chain and Logistics) Consulting and Productivity Consulting Services as well as Software Solutions Provider (includes ERP, Office Automation and Computer Modelling Services).	Our Consulting Services includes both IT as well as Operations Management. Our Software Products includes Business Intelligence, Human Resources Management, Inventory and Production Planning Solution and we build all kinds of Specialized Computer Models for our clients.	Business Offer	Singapore Manufacturing Federation
Industrial Manufacturing, Oil & Gas	Manufacturing of sensors, thermocouple & thermowell	Sensors, thermocouple & thermowell	Business offer	Singapore Manufacturing Federation
Biosciences & Health, Diagnostics, Drug Discovery & Drug Development, Electronics, Microelectronics & Semiconductors, Medical Devices	Medical diagnostics develop & commercialization	Molecular diagnostics tests	Business Request	Singapore Manufacturing Federation
Aeronautics & Space, Communications & Networking, Medical Devices, Electronics, Microelectronics & Semiconductors, etc	Manufacturing, Design & Distribution of semiconductors, Automotive Solutions, Power Control, Solar Power, Reverse Logistics Implementation – Anti-counterfeit solutions, Telecom, Medical Applications	SEMICONDUCTORS, PCB MANUFACTURING, CONTRACT MANUFACTURING SERVICES	Business Request	Singapore Manufacturing Federation
Aeronautics & Space, Communications & Networking, Medical Devices, Electronics, Microelectronics & Semiconductors, etc	Manufacturing, Design & Distribution of semiconductors, Automotive Solutions, Power Control, Solar Power, Reverse Logistics Implementation – Anti-counterfeit solutions, Telecom, Medical Applications	SEMICONDUCTORS, PCB MANUFACTURING, CONTRACT MANUFACTURING SERVICES	Business offer	Singapore Manufacturing Federation
Multimedia, Digital Content & Gaming, Communications & Networking, Electronics, Microelectronics & Semiconductor	Distributor for computer hardware, software, LED Lights	DVD & Hard Disk Duplicators, LED Bulbs & LED Lights	Business offer	Singapore Manufacturing Federation
Transportation & Logistics	SOFTWARE CONSULTANCY AND SERVICES. SUPPLY CHAIN SOLUTIONS	1. WAREHOUSE MANAGEMENT 4. VISIBILITY AND COLLABORATION PLATFORM 2. TRANSPORTATION MANAGEMENT 5. CUSTOMS MANAGEMENT 3. ORDER MANAGEMENT 6. COMPLIANCE AND RISK MANAGEMENT	Business offer	Singapore Manufacturing Federation
Software	Provision of highly interactive self service kiosk and solution	DigiQuin (Digital Mannequin), Self-Service Check-in/out for Hotel, Self-Help Health Screening Kiosk, Self-Help Payment	Business offer	Singapore Manufacturing Federation
Retail & Wholesale, Food & Beverage	Marketing and distribution of functional foods & beverages (energy drinks, functional snacks, juices etc..)	Functional beverages and foods (e.g. energy drinks, juices and functional snacks, etc..)	Business Request	Singapore Manufacturing Federation
Electronics, Environment, F&B, Industrial Engrg, O&G, Security, Marine	manufacturing of ultrasonic cleaning equipment, systems integrator & distributor of building automation products & solutions	ultrasonic cleaning equipment, DOE switches, photo sensors	Business request	Singapore Manufacturing Federation
Electronics, Environment, F&B, Industrial Engrg, O&G, Security, Marine	manufacturing of ultrasonic cleaning equipment, systems integrator & distributor of building automation products & solutions	ultrasonic cleaning equipment, DOE switches, photo sensors	Business offer	Singapore Manufacturing Federation
Food & Beverage	Import and Export of Asian Foods such as canned meat, jarred sauces, soya sauce and tetra-pack drinks	All-in-one cooking kits with pastes and coconut premix, jarred sauces, soya sauce, pack drinks, canned meat & soya sauce	Business Request	Singapore Manufacturing Federation

Biosciences & Health, Medical Devices, Recreation, Culture, Sports & Leisure	Specialises in manufacturing superior quality, natural rubber or latex products. We carry a wide range of products including Natural Male Latex Condoms, Ultrasonic Probe Covers, Latex Examination Gloves, Nitrile or Vinyl Gloves, Dental Dams, Dental Dams Accessories, Pilates Yoga Bands, Therapeutic Exercise Bands, Stretch Bands, Powder Free Latex Resistive Bands or Tubings, Loop Bands, Super Loop Bands, Gym Ball, Balance Cushion, Hand Exercisers and even Medical Disposables.	Natural Male Latex Condoms, Ultrasonic Probe Covers, Latex Examination Gloves, Nitrile or Vinyl Gloves, Dental Dams, Dental Dams Accessories, Pilates Yoga Bands, Therapeutic Exercise Bands, Stretch Bands, Powder Free Latex Resistive Bands or Tubings, Loop Bands, Super Loop Bands, Gym Ball, Balance Cushion, Hand Exercisers and even Medical Disposables	Business offer	Singapore Manufacturing Federation
Electronics, Microelectronics & Semiconductor, Life Sciences	Sales and service provider for high technology products	Power supplies, cryopumps, water pumps, vacuum pumps, temperature controllers	Business request	Singapore Manufacturing Federation
Materials, Measurement Testing & Standards, Building & Construction, Nanotechnology & Nanoscience, Engineering, Environment	Engineering consultancy services and architectural conservation	Engineering consultancy services for built environment; building pathology, indoor environment diagnosis, environmentally friendly and innovative materials and systems building diagnosis and architectural conservation	Business request	Singapore Manufacturing Federation
Materials, Measurement Testing & Standards, Building & Construction, Nanotechnology & Nanoscience, Engineering, Environment	Engineering consultancy services and architectural conservation	Engineering consultancy services for built environment; building pathology, indoor environment diagnosis, environmentally friendly and innovative materials and systems building diagnosis and architectural conservation	Business offer	Singapore Manufacturing Federation
Agriculture, Materials, Nanotechnology & Nanoscience, Oil & Gas, Diagnostics, Property development, Energy, Software, Tourism & Hospitality	Plastic packaging, oil and gas and property development and hospitality related business. Agricultural trading.	Property acquisition, plastic related, and oil and gas.	Business offer	Singapore Manufacturing Federation
Packaging, Engineering, Industrial Design, Industrial Manufacturing	Design, Manufacture, Assembly, Install of Automated Equipment and System in Manufacturing Industries.	<p>ASTech is an automation system provider and system integrator. We provide engineering solutions, automated machines and full turnkey project to manufacturing companies to improve their productivity of the operations and to enhance their competitiveness in the market.</p> <p>We offer total solutions for Conveyor Systems, Gantry Systems, Robotic System. We combine these solutions with quality inspection, verification, deburring, polishing, washing, drying, filtering, marking, MES and other related processes. We specialize in automating CNC machines in the manufacturing companies to reduce operators and improve manufacturing processes.</p> <p>We have many years of experience and expertise serving the Refrigeration, Aerospace, Oilfield, Pharmaceutical, Label, Automotive, Food & Beverages and Electronics Industries, etc.</p>	Business request	Singapore Manufacturing Federation
Industrial Manufacturing	MANUFACTURERS, CONSULTANTS AND DEALER IN COMPUTER AND ALLIED SUB-ASSEMBLIES	<p>1. CABLE AND WIRE HARNESSING</p> <p>2. MECHANICAL ASSEMBLIES</p>	Business Request	Singapore Manufacturing Federation
Biosciences & Health, Chemistry & Chemical Engineering, Engineering, Food & Beverage, Industrial Manufacturing, Life Sciences	Process automation solution	Consulting and Conception, Basic & Detail Engineering, Process control systems, Start-up, Training & After-Sales Service, Flexible Automation for Batch Processes with Recipe Management Systems, Manufacturing & Business Integration (MBI), Qualification in Process Control Engineering, Robot programming	nil	Singapore Manufacturing Federation
Food & Beverage	FRUIT JUICE MANUFACTURER AND DISTRIBUTOR OF SYRUPS, MINERAL WATER AND OTHER PRODUCTS RELATED TO THE FOOD & BEVERAGE INDUSTRY	FRUIT JUICE, FRUIT PUREES, FRUIT MIXERS, SYRUPS, MINERAL WATER AND OTHER PRODUCTS.	Business request	Singapore Manufacturing Federation
Aeronautics & Space, Building & Construction, Engineering, Industrial Manufacturing, Marine Industry, Oil & Gas	Manufacturing and wholesale trade of industrial abrasives products for metal fabrication, ship building, oil and gas and other related industries	Abrasives / grinding discs, wheels	Business request	Singapore Manufacturing Federation
Aeronautics & Space, Building & Construction, Engineering, Industrial Manufacturing, Marine Industry, Oil & Gas	Manufacturing and wholesale trade of industrial abrasives products for metal fabrication, ship building, oil and gas and other related industries	Abrasives / grinding discs, wheels	Business Offer	Singapore Manufacturing Federation
Naturak Hair & Skin care products	Brand owner of a natural haircare and skincare products targeted for men, women and children.	Hair loss shampoo, hair conditioner, facial cleansers, baby cleansers, baby massage oil and fluoride-free children's toothpaste	Business Request	Singapore Manufacturing Federation

Biosciences & Health, Diagnostics, Medical Devices, Life Sciences	Distribution of medical devices, laboratory equipment (clinical diagnostics for allergy, autoimmune, infectious diseases), test kits, lab chemicals, lab reagents and life sciences products (cell culture, anti-bodies, consumables). Regional coverage with business partners in Asia Pacific and offices in Singapore, Malaysia and Australia.	Test Kits for hormone, diseases, autoimmune, clinical diagnostics, DNA testing Lab equipment (Rapid PCR, lab automation) Medical Devices (we are open to any new and innovative non-invasive devices) Life Sciences (consumables, cell media, anti-bodies, instrumentation, automation)	Business Request	Singapore Manufacturing Federation
Medical Devices	Manufacturing a series of eHealth products and solutions for home and clinical users	The products include contactlense and wearable patient monitoring devices and a cloud computing to collect and process data of the patients	Business offer	Singapore Manufacturing Federation
Medical Devices, Electronics, Microelectronics & Semiconductor, Engineering, Industrial Manufacturing, Contract Engineering & Mfg Services	Contract Equipment Engineering and Manufacturing Turnkey Solution Provider in Medical and Non-Medical space with in-house Vision capability and Precision Machining. Examples include fully Automatic standalone production equipment and production lines.	Contract turnkey (build-to-print and customized) automation solutions in high-speed, high-volume, high-precision production equipment and lines with 2D / 3D Vision solutions and Precision Engineering.	Business offer	Singapore Manufacturing Federation
PCBA, Contract Manufacturing of Equipment, Equipment Deesign & Manufacturing	One stop Solution provider with vast experience in Equipment design & Manufacturing across various industries. Contract Manufacturing of ElectroMechanical Box build and Turnkey Equipments , Contract Design , PCBA manufacturing Wire Hardness	Semiconductor Equipments : Wafer Inspection 8" to 12" , Wafer Sorters for 6" to 12" wafers , Thin Wafer sorter 3rd optical machine & other back End of line tools , Contract Design & Manufacturing of Electro Mechanical Box build & Turnkey Equipments , PCBA assembly & Wire Hardness.	Business Request	Singapore Manufacturing Federation
Biosciences & Health, Chemistry & Chemical Engineering	Contract Manufacturing of Active Pharmaceutical Ingredient (API), Development and Manufacturing and supply of Anti-Cancer APIs. Supply of Active Pharmaceutical Ingredient and other pharmaceutical products. Technology Development and technology transfer for Active Pharmaceutical Ingredients and Finished Dosage forms	General Active Pharmaceutical Ingredients; Specialised Anti-Cancer Pharmaceutical Ingredients	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of Frozen glutinous rice balls and sesame balls	glutinous rice ball, sesame ball	NIL	Singapore Manufacturing Federation
Food Manufacturing	Manufacturing of Rice noodle and Rice Pasta	Rice Vermicelli, Rice Spaghetti, Brown Rice Vermicelli, Brown Rice Spaghetti, Basmati Rice Spaghetti, Instant Rice Noodle - Original curry, Spicy Chicken Flavors	Business Request	Singapore Manufacturing Federation
Materials, Packaging, Electronics, Microelectronics & Semiconductor, Renewables	DISTRIBUTION & OEM	FLUX, SOLDERPASTE, SOLDER BAR & WIRE, CONNECTORS, CLEANING CHEMICALS, CARBON PASTE, INK, PLOTTING & CONTACT FILM, GLASS MASK, COPPER CLAD LAMINATE, DRILL AND ROUTER BITS, RELEASE FILM, LAMINATING FILM, UV VARNISH, POLYMER PLATE, DOCTOR BLADE.	Business Request	Singapore Manufacturing Federation
Engineering	MANUFACTURING OF PRECISION TOOLING FOR ELECTRONICS INDUSTRY	BUILD TO ORDER PRECISION TOOLING	Business Request	Singapore Manufacturing Federation
Bioscience, health, beauty, wellness, packaging, retail & wholesale	mfg & distribution	aesthetic skincare, beauty equipment	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of canned seafood	Canned sardines and tuna	Business	Singapore Manufacturing Federation
Electronics, Microelectronics & Semiconductor, Oil & Gas, Optical Networks & Systems, Marine Industry	Specialise in Communication & Power Cable product for Marine , Oil & Gas	Communication & Power Cable	Business Request	Singapore Manufacturing Federation
Electronics, Microelectronics & Semiconductor, Oil & Gas, Optical Networks & Systems, Marine Industry	Specialise in Communication & Power Cable product for Marine , Oil & Gas	Communication & Power Cable	Business Offer	Singapore Manufacturing Federation
Medical Devices	Medical Robotics Manufacturer	Robotics assisted surgical system	Business Request	Singapore Manufacturing Federation
Materials, Building & Construction, Oil & Gas, Engineering, Industrial Desgin, Marine Industry	Manufacturing of high pressure seals, valves	High pressure water blasting guns, parts and clearing accessories	Business request	Singapore Manufacturing Federation
Building & Construction, Energy, Engineering, Environgment, Renewables	Supplier of Energy Efficient Products & Equipment	Solar LED & Smart Technology Products	Business request	Singapore Manufacturing Federation

Oil & Gas	Oil & Gas	Oil & Gas	nil	Singapore Manufacturing Federation
Train & Railway Manufacturing, Building & Construction, Oil & Gas, Energy, Engineering, Industrial Manufacturing, Transportation & Logistics, Marine Industry	SALES AND DISTRIBUTION OF HEAVY DUTY DIESEL ENGINE SPART PARTS AS WELL AS SERVICING	<ul style="list-style-type: none"> • Filters – Oil, Fuel, Air and Hydraulic Filters, Cooling System products, Air intake and Exhaust accessories • Batteries – Dry-charged and maintenance-free batteries • Lubricants – Passenger car oil, diesel engine oil, motorcycle oil and industrial oil • Engine parts – Genuine & Replacement parts for Cummins, Caterpillar, Komatsu, Hitachi, Volvo, Perkins and Detroit Diesel • Diesel Engine supply such as for Marine applications • Servicing of Transmission of Diesel Engines 	Business Request	Singapore Manufacturing Federation
Train & Railway Manufacturing, Building & Construction, Oil & Gas, Energy, Engineering, Industrial Manufacturing, Transportation & Logistics, Marine Industry	SALES AND DISTRIBUTION OF HEAVY DUTY DIESEL ENGINE SPART PARTS AS WELL AS SERVICING	<ul style="list-style-type: none"> • Filters – Oil, Fuel, Air and Hydraulic Filters, Cooling System products, Air intake and Exhaust accessories • Batteries – Dry-charged and maintenance-free batteries • Lubricants – Passenger car oil, diesel engine oil, motorcycle oil and industrial oil • Engine parts – Genuine & Replacement parts for Cummins, Caterpillar, Komatsu, Hitachi, Volvo, Perkins and Detroit Diesel • Diesel Engine supply such as for Marine applications • Servicing of Transmission of Diesel Engines 	Business offer	Singapore Manufacturing Federation
Food & Beverage, Industrial Manufaturing	Distribution of dry food (canned food)	Italian pasta, tomato paste, diced tomatoes, baked bean, whole-peeled tomatoes, sweet corn kernel	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of canes, pastries, bread, cookies, soup, condiments and ice creams	Brownies, cheesecakes, pies, muffins, ice-creams, wraps, soups, desserts and etc	Business Request	Singapore Manufacturing Federation
Food & Beverage	Rice Manufacturing and in-house R&D	Raw Rice, Yamie Rice	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacturer of coffee and instant beverages	Coffee powder, instant beverages (coffeemix, ginger drink, chrysanthemum drink, tea and etc)	NIL	Singapore Manufacturing Federation
Medical Devices, Oil & Gas, Packaging, Recycling & Waste Management, Renewables, Energy, Engineering, Food & Beverage, Industrial Manufacturing	Manufacturing of precision engineering components, machining parts, stamping tools etc	Provide semiconductor precision tooling and fixtures, conversion kits and spare parts from FOL to EOL	Business Request	Singapore Manufacturing Federation
Medical Devices, Oil & Gas, Packaging, Recycling & Waste Management, Renewables, Energy, Engineering, Food & Beverage, Industrial Manufacturing	Manufacturing of precision engineering components, machining parts, stamping tools etc	Provide semiconductor precision tooling and fixtures, conversion kits and spare parts from FOL to EOL	Business Offer	Singapore Manufacturing Federation
Dental & oral irrigators	manufacturing	dental floss, irrigators	Business Request	Singapore Manufacturing Federation
Food & Beverage	MANUFACTURING OF FROZEN FOOD PRODUCTS AND READY-TO-EAT SAUSAGES	Fish ball, fish cake, cuttlefish ball, seafood tofu, beancurd roll, chicken ham, chicken sausage, chicken meat balls, beef balls, ready-to-eat sausages	Business Request	Singapore Manufacturing Federation
Food & Beverage, Retails & Wholesale	Manufacturing of sauces, paste, chilli, soup, kaya jam, pickles	saucos (including chilli, tomato, seasoning, etc) pastes (incl curry, laksa, chilli crab, etc coconut jam (kaya), pickles (achar), soups	Business offer	Singapore Manufacturing Federation
Food & Beverage	Product Development of specialty desserts (Frozen) - Avocado ice-cream, avocado smoothies forsale (B2B) in international market	Frozen avocado smoothies avocado green tea ice-cream	Business request	Singapore Manufacturing Federation
Food & Beverage	Product Development of specialty desserts (Frozen) - Avocado ice-cream, avocado smoothies forsale (B2B) in international market	Frozen avocado smoothies avocado green tea ice-cream	Business offer	Singapore Manufacturing Federation
Food & Beverage	Manufacturer & supplier of range of traditional chinese snacks	fish cake, meat roll, prawn roll & fish roll	Business Request	Singapore Manufacturing Federation
Measurement, Testing & Standards, Industrial Manufacturing	Turnkey solutions for all industrial laser cutting, laser welding and laser cutting automation	All kinds of industrial laser system	Business Request	Singapore Manufacturing Federation
Measurement, Testing & Standards, Industrial Manufacturing	Turnkey solutions for all industrial laser cutting, laser welding and laser cutting automation	All kinds of industrial laser system	Business offer	Singapore Manufacturing Federation

Medical Devices	Manufacturing of Smart Infusion Systems	- EPIVA (Smart infusion system for epidural analgesia) - INTRAIVA (Smart infusion system for sensing vital signs and regulating drug output during intravenous analgesia) - DIIVA (Smart infusion system for sensing vital signs and regulating drug output during spinal anaesthesia in Caesarean section)	Business offer	Singapore Manufacturing Federation
Oil & Gas, Marine Industry	Manufacture of wire rope & fibre rope slings and lifting gears, in-house/job site testing services, stockists and supplier of hardware and marine equipment and accessories - ship chandlers	Manufacture of wire rope & fibre rope slings and lifting gears, in-house/job site testing services, stockists and supplier of hardware and marine equipment and accessories - ship chandlers	Business Request	Singapore Manufacturing Federation
Oil & Gas, Marine	Jason Electronics Pte Ltd is a leading provider of integrated solutions of communication, navigation and automation systems for the marine and offshore oil & gas industries.	We design, supply, integrate, install and commission a comprehensive range of radio and satellite communication, navigation and marine automation systems to our customers.	Business Request	Singapore Manufacturing Federation
Life Science, Biosciences & Health, Diagnostics, Medical Devices	Development, manufacturing and sales of digital PCR instruments and consumables	Digital PCR instruments and consumables	Business offer	Singapore Manufacturing Federation
Biosciences & Health, Materials, Medical Devices, Environment, Food & Beverage, Industrial Manufacturing	Manufacturing of latex/nitrile disposable gloves for the medical, healthcare, food, industrial application	Catex Examination Gloves, Nitrile Examination gloves, surgical gloves (latex)	Business Request	Singapore Manufacturing Federation
Oil & Gas, Energy, Engineering, Security, Marine Industry & Construction	Manufacturing of Cobolt Marine Equipment – Electrical/Pneumatic fans, air ducting, deck scalars, pneumatic tools, pneumatic mucking winches	Blowers electrical/pneumatic, high speed mucking winches, deck scalars, high pressure washing unit, air tools , air ducting and etc.	Business offer	Singapore Manufacturing Federation
Biosciences & Health, Life sciences	Manufacturing and formulation of pharmaceutical, health supplement and cosmetic cream.	Formulation and manufacture of transdermal creams eg. Pain & Itch Relieving Cream(TMAX), Transdermal glucosamine cream(TGC). We also provide customized formulation and manufacturing services	Business Request	Singapore Manufacturing Federation
Biosciences & Health, Life sciences	Manufacturing and formulation of pharmaceutical, health supplement and cosmetic cream.	Formulation and manufacture of transdermal creams eg. Pain & Itch Relieving Cream(TMAX), Transdermal glucosamine cream(TGC). We also provide customized formulation and manufacturing services	Business Offer	Singapore Manufacturing Federation
Materials, Multimedia, Digital Content & Gaming, Communications & Networking, Electronics, Microelectronics & Semiconductor, Industrial Design, ITC	Manufacturer of Electronics components, Power Supply and Adaptor. Engineering, Procurement & Construction (EPC) of Solar Power Farm project. Distribution of Computer Peripherals, Multi-Media and Telecommunication products.	Electronics components, Power Supply and Adaptor. Engineering, Procurement & Construction (EPC) of Solar Power Farm project. Distribution of Computer Peripherals, Multi-Media and Telecommunication products.	Business offer	Singapore Manufacturing Federation
FMCG Products	Distribution of various Peanuts products, Candy (sweets), Can Fruit Juices and Convenience Noodles.	Peanuts, Candy, Juice and Noodles	Business request	Singapore Manufacturing Federation
Energy, Industrial Manufacturing, Renewables, Marine Industry	We are solution provider for energy optimization and automation systems for manufacturing plants		Business request	Singapore Manufacturing Federation
Energy, Industrial Manufacturing, Renewables, Marine Industry	We are solution provider for energy optimization and automation systems for manufacturing plants		Business offer	Singapore Manufacturing Federation
Biosciences & Health, Diagnostics, Medical Devices, Life Sciences	Import, Export, Sales & Marketing Activities in the Healthcare Industry. Major customers are hospitals, clinics and laboratories	Specialises in culture media and accessories for the IVF segment and Soft goods for Orthopaedic Rehab segment.	Business request	Singapore Manufacturing Federation
Security, Marine Industry	Manufacturer of Marine Hydraulic Steering System	Marine Steering Gear, Agent/Distributor for Marine Hydraulic Cranes, Rudders, Autopilot, Thermal Cameras, Engine Control, Water Maker and Sewage Treatment Plant.	Business Request	Singapore Manufacturing Federation
Food & Beverage	International importer & exporter, processor, wholesaler for frozen, live, chilled FMCG (Fas moving consumer goods) and foodstuffs	Squid pineapple cut, squid tentacles, squid strip, squid tube, squid wings, seafood mixed, mussel meat, scallop meat, octopus, shell and oyster, and etc	Business request	Singapore Manufacturing Federation

Oil & Gas, Energy, Engineering, Marine Industry	OSS manufactures, repairs and services a wide variety of downhole drilling tools used for exploration and production in the Oil & Gas industry. Apart from stabilizers, subs, sleeves, measurement-while-drilling (MWD) parts and components, we also collaborate with key customers to be qualified to manufacture a number of their more complex and often proprietary tools. The products need to comply with stringent material requirements ie hardness and yield strength, machining tolerances, and are often manufactured on an urgent basis with zero compromise on quality.	Downhole drilling tools used in the BHA for O&G operations such as Stabilizers, Motor Sleeves, Drill Collars, subs, mandrels as well as completion products such as adapters, flanges etc.	Business Request	Singapore Manufacturing Federation
Medical Devices	Manufacturer of contact lens solutions	Contact lens solutions, eye drops	Business offer	Singapore Manufacturing Federation
Oil & Gas, Recycling & Waste Management, Retail & Wholesale, Energy, Food & Beverage, Marine Industry	(1) Petroleum industry including trading of base oil; manufacturing and sales of lubricant products such as marine lubricants, supply & delivery of globally, automotive lubricant, industrial lubricant, speciality products such as lubricant additive package, EAL products, etc... (2) Manufacturing of Pulse Air Mixing System & Equipment to agitate, blend, mix and suspension process.	(1) Lubricants such as marine lubricants, automotive lubricants, industrial lubricants, speciality lubricants such as additives, etc... (2) Pulse Air Mixing Equipment	Business offer	Singapore Manufacturing Federation
Food & Beverage	Manufactures an extensive range of ready to cook pastes and sauces under the Prima Taste brand	Meal sauce kits	Business Request	Singapore Manufacturing Federation
Biosciences & Health, Medical Devices, Diagnostics, Life Sciences	Design, develop and manufacturing of in-vitro diagnostics medical devices	In-vitro diagnostics medical devices using SAM, ELISA, real-time PCR	Business Request	Singapore Manufacturing Federation
Biosciences & Health, Medical Devices, Diagnostics, Life Sciences	Design, develop and manufacturing of in-vitro diagnostics medical devices	In-vitro diagnostics medical devices using SAM, ELISA, real-time PCR	Business offer	Singapore Manufacturing Federation
F&B	Restaurant	Japanese cuisine	Business request	Singapore Manufacturing Federation
F&B	Restaurant	Japanese cuisine	Business offer	Singapore Manufacturing Federation
Food & Beverage	Distribution/wholesale - chia seeds, etc; import/export	Chia seeds, organic food	Business Offer	Singapore Manufacturing Federation
Chemistry & Chemical Engineering, Oil & Gas, Engineering, Marine Industry	Distribution and solution powder of control instruments and glow measurement tools	Gas/liquid sampling systems, measuring instruments for glow within pipelines, and etc	Business Request	Singapore Manufacturing Federation
Retail & Wholesale, Food & Beverage, Food Manufacturing	Manufacturer of Nuts and Snacks	Nuts snacks	Business Offer	Singapore Manufacturing Federation
Medical Devices	Manufacturing and R&D of devices for cord blood collection	CANULEX, a patented intravenous cannulation device for the collection of cord blood	Business Offer	Singapore Manufacturing Federation
engineering, environment	Engineering, Procurement and consultancy on environmentally-related segments: water, air and temperature.	Water and wastewater treatment concession services for small and municipal size plants	Business request	Singapore Manufacturing Federation
engineering, environment	Engineering, Procurement and consultancy on environmentally-related segments: water, air and temperature.	Water and wastewater treatment concession services for small and municipal size plants	Business offer	Singapore Manufacturing Federation
F&B, Information & Communications Technology (ICT), Retail & Wholesale, Software, Tourism & Hospitality, Transportation & Logistics & Marine Industry	Singapore E-Business Pte. Ltd., aims to integrate both local and global business opportunities and strives to help them break business boundaries with our exclusive and synergistic IT Business solutions.	☑ Cloudbase Electronic procurement system ☑ Cloudbase POS system with CRM module ☑ Recipe system with procurement ☑ Recipe management and kitchen display system ☑ Inventory system	NIL	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of frozen Dim Sum (Food); Import & Export of Food	Dim Sums (eg Dumpling, Gyoza, Xiao Long Bao)	Business offer	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of frozen Dim Sum (Food); Import & Export of Food	Dim Sums (eg Dumpling, Gyoza, Xiao Long Bao)	Business Request	Singapore Manufacturing Federation

Medical Devices	Manufacturing of an innovative 4-wheeled ergonomic GlydeSafe walkers for the elderly and disabled.	Ergonomic retro-fitable wheel castors for GlydeSafe walking frames. - Classic GlydeSafe® Walker - Travel GlydeSafe® Walker with a retractable seat - Compact GlydeSafe® Walker that is foldable and comes with a carry bag	Business Offer	Singapore Manufacturing Federation
Food & Beverage	Distributor of food & beverage ingredients	Processed fruits, nuts, grains, pulses	NIL	Singapore Manufacturing Federation
Aeronautics & Space, Additive Manufacturing	Singapore Technologies Engineering Ltd (ST Engineering) is an integrated engineering group specializing in innovative solutions and services in the aerospace, electronics, land systems and marine sectors.	Additive Manufacturing (3D printing) Service	Business Request	Singapore Manufacturing Federation
Medical Devices, Diagnostics, Retail & Wholesale, Information Processing & Systems, Transportation & Logistics	Sales and marketing of medical disposable Gloves, Masks, Lansets	Bulk purchase, retail and tender of: medical gloves (latex, nitrile & surgical); medical masks and industrial masks (N 95, FFP1, FFP2, & FFP3); lancets (various sizes)	nil	Singapore Manufacturing Federation
Retail & Wholesale, Food & Beverage	Manufacturing of snacks inclusive of nuts, sweets, dried fruits, peas, crackers and broad bean	Wholesale, OEM, Retail packaged nuts, sweets, dried fruits, peas, crackers and broadbean	Business request	Singapore Manufacturing Federation
F&B	manufacturing	instant coffee, tea, cup noodle, cereal, oatmeal & OEM svcs	Business offer	Singapore Manufacturing Federation
Energy, Engineering	Electrical Power Engineering / Distributor of LV/MV/HV Power X' mer, UPS, Power Conditioner Presales & Aftersales service support.	Electrical Power Engineering / Distributor of LV/MV/HV Power X' mer, UPS, Power Conditioner Presales & Aftersales service support.	Business request	Singapore Manufacturing Federation
Energy, Engineering	Electrical Power Engineering / Distributor of LV/MV/HV Power X' mer, UPS, Power Conditioner Presales & Aftersales service support.	Electrical Power Engineering / Distributor of LV/MV/HV Power X' mer, UPS, Power Conditioner Presales & Aftersales service support.	Business Offer	Singapore Manufacturing Federation
Agriculture	Input and exporting preseved seafood	Input and exporting preseved seafood	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of chocolate products	Chocolate - freeze dried fruits in chocolate	Business offer	Singapore Manufacturing Federation
Biosciences & Health, Diagnostics	Manufacturing and distribution of diagnostics kits for trinucleotide repeat disorders (genetic disease). Kits are based on TP-PCR	Diagnostic kits for Fragile X, Huntington Disease and Myotonic Dystrophy Type 1	Business Offer	Singapore Manufacturing Federation
Oil & Gas, Marine Industry, Diving/NDT Equipment sales-rental	Sales-rental-repair of commercial diving equipment (e.g. decompression chambers, high pressure/low pressure compressors, gas analysers, diving control panels, communications radios, communications cables, diving umbilicals, airbanks, personal scuba needs, underwater welding-cutting torches/electrodes/cutting rigs, helmets/band masks/fullface masks, diving hoses, hydraulic launch/rescue systems, spare parts. Sales-rental-training of ACFM NDT Inspection systems onshore and underwater. Sales-application service-training of anti-corrosion coatings, undertake turnkey projects.	1) Professional diving systems, decompression chambers, diving communications systems, diving cctv/camera systems, diving umbilicals, diving control panels. 2) ACFM NDT topside and underwater inspection systems & services. 3) Anti-corrosion coatings for high temperature/high pressure/corrosive environment, coating application services, trainings.	Business Request	Singapore Manufacturing Federation
Food & Beverage; Transportation & Logistics	Distribution of Ice & beverages in Singapore	Ice, Alcoholic beverages; and non-alcoholic beverages	Business offer	Singapore Manufacturing Federation
Materials, Chemistry & Chemical Engineering, Recycling & Waste Management, Environment	We provide "ONE –STOP E-Waste Management Turn-Key Solutions". Setting up the e-Waste plant, technology transfer, training, and precious metals related trading. Market Feasibility, Evaluation Studies about the E-Waste		Business request	Singapore Manufacturing Federation
Materials, Chemistry & Chemical Engineering, Recycling & Waste Management, Environment	We provide "ONE –STOP E-Waste Management Turn-Key Solutions". Setting up the e-Waste plant, technology transfer, training, and precious metals related trading. Market Feasibility, Evaluation Studies about the E-Waste		Business offer	Singapore Manufacturing Federation

biosciences & health, retail & wholesale, healthcare & pharmaceutical	R&D, manufacturing	SARM phytoandrogens, health supplements, therapeutic products	Business Request	Singapore Manufacturing Federation
Retail & Wholesale, Food & Beverage	Manufacturing of delicatessen products	Ham, sausages, marinated food items	NIL	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of bottled beverages such as natural mineral water, functional drinks and sports drinks	Natural Mineral Water, Sports Drinks, Functional Drinks, PET bottles	Business offer	Singapore Manufacturing Federation
engineering, environment	solutions provider, systems integrator	water & waste treatment systems	Business request	Singapore Manufacturing Federation
engineering, environment	solutions provider, systems integrator	water & waste treatment systems	Business offer	Singapore Manufacturing Federation
Food & Beverage	Manufacturer of confectionery, biscuits and cookies	Biscuits, cookies, wafer roll	NIL	Singapore Manufacturing Federation
Medical devices	Manufacturing of World's First Transfer Wheelchair	Transfer Wheelchair	Business offer	Singapore Manufacturing Federation
Food & Beverage	Manufacture of frozen food, sausages, buns		Business offer	Singapore Manufacturing Federation
Building & Construction, Medical Devices, Lab and Healthcare Manufacturer	Design & manufacture customise laboratory furniture and hospital: bedhead panel, beside cabinets etc	Laboratory workbench, heavy duty non-rust shelving and etc	Business offer	Singapore Manufacturing Federation
Multimedia, digital content & gaming, electroincs, microelectronics & semiconductor, food & beverage, information processing & systems, ICT	IT	IT	Business Request	Singapore Manufacturing Federation
Multimedia, digital content & gaming, electroincs, microelectronics & semiconductor, food & beverage, information processing & systems, ICT	IT	IT	Business Offer	Singapore Manufacturing Federation
Food & Beverage	f&b retail & franchising local & overseas	shihlinsnack.com.tw	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacturer of frozen breads, frozen puff pastries	Frozen Breads, Frozen cakes, Frozen puff pastries	Business Offer	Singapore Manufacturing Federation
Information processing & system; software	Managing of projects, programs and portfolios Implementation of Project Portfolio Management software	Daptiv PPM – Project Portfolio Management software Managing of projects, programs and portfolios	Business Offer	Singapore Manufacturing Federation
Food & Beverage	Manufacturing of kaya, coconut sweet spreads for bread and bakery ingredient	Kayamila, coconut spread, sweet spreads and kaya jam	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacture and distribution of noodles and noodle related products	Fresh and dry noodle	Business Offer	Singapore Manufacturing Federation
Medical Devices, Diagnostics, Enery , Engineering, Environment, Food & Beverage, Reweables, Marine Industry	Wholesale of electronics product, energy saving, clean technology and engineering solution		Business Request	Singapore Manufacturing Federation
Medical Devices, Diagnostics, Enery , Engineering, Environment, Food & Beverage, Reweables, Marine Industry	Wholesale of electronics product, energy saving, clean technology and engineering solution		Business Offer	Singapore Manufacturing Federation
Food & Beverage, Retails & Wholesale	Manufacturing of cuttlefish balls, cuttlefish paste, cheese cuttlefish balls and prawn balls. Sole distributor of Zhengzhou Synear Food Co in Singapore	Cuttle fish, prawn balls cuttlefish paste, cheese cuttlefish and etc	Business request	Singapore Manufacturing Federation
Retail & Wholesale; food & Beverage	Manufacturer of Gourmet Cake and Pastry	1. Cakes 2. Muffins 3. Sandwiches 4. Pizza bases 5. Tart 6. Bread 7. Puff 8. Macaroons	Business Offer	Singapore Manufacturing Federation
Retail & Wholesale; food & Beverage	Manufacturer of Gourmet Cake and Pastry	1. Cakes 2. Muffins 3. Sandwiches 4. Pizza bases 5. Tart 6. Bread 7. Puff 8. Macaroons	Business Request	Singapore Manufacturing Federation
Food & Beverage	Manufacturing, distribution and exporting of Fruit Juices products	Fruit Juices products	Business Offer	Singapore Manufacturing Federation

Food & Beverage, Industrial Manufacturing	Manufacturing of organic soy milk powder, cereal & oatmeal	Organic Soy milk powder, cereal, oatmeal	Business request	Singapore Manufacturing Federation
Information Processing & Systems, ICT, Software, Industrial Automation	Provide industrial automation to improve manufacturing operation, quality and productivity	equipment integration services, quality & reliability solution	Business request	Singapore Manufacturing Federation
Information Processing & Systems, ICT, Software, Industrial Automation	Provide industrial automation to improve manufacturing operation, quality and productivity	equipment integration services, quality & reliability solution	Business Offer	Singapore Manufacturing Federation
Food & Beverage	Importer and distributor of fresh produce, grocery and health supplement	Fresh produce, grocery & health supplement	Business request	Singapore Manufacturing Federation
Various sector	Our company principal business activity is supplying raw materials to leading manufacturers in rubber, oil & gas, and biomass related industries. In addition, our company also venture into food & beverage industry, which our first product being launched is premium grade frozen sweet corn kernels.	Premium American Grade Frozen Sweet Corn Kernels, Palm Acid Oil, Palm Fatty Acid Distillate, Palm Fibre, Palm Kernel Shell, Coconut Fibre, Natural Rubber, Concrete Slab Board, Canned drink (100% pure coconut water), roasted peanut, and cappuccino.	Business offer	Singapore Manufacturing Federation
Food & Beverage, Retail & Wholesale	Wine production in Chile	Wine	Business request	Singapore Manufacturing Federation
Food & Beverage, Retail & Wholesale	Wine production in Chile	Wine	Business Offer	Singapore Manufacturing Federation
Environment - Water monitoring	Tech intermediary	Wireless Water Monitoring System for Aquaculture and Environmental Professionals https://www.ipi-singapore.org/technology-offers/wireless-water-monitoring-system-aquaculture-and-environmental-professionals	Tech Offer	Singapore Manufacturing Federation
Electronics - Sensors & Instrumentation; Environment, Clean Air/Water - Automation, Control, Communication; Infocomm - Mobility	Business/Tech intermediary	GPS-based tractor navigation software for agriculture https://www.ipi-singapore.org/technology-offers/gps-based-tractor-navigation-software-agriculture	Tech Offer	Singapore Manufacturing Federation
Medical Devices	Healthcare innovation	Device for Prevention of Chemotherapy Induced Peripheral Neuropathy https://www.ipi-singapore.org/technology-offers/device-prevention-chemotherapy-induced-peripheral-neuropathy	Tech Offer	IPI Singapore
Medical Devices	Healthcare innovation	Hand hygiene Compliance Nudging System https://www.ipi-singapore.org/technology-offers/hand-hygiene-compliance-nudging-system	Tech Offer	IPI Singapore
Medical Devices	Healthcare innovation	Telemedicine Oximetry System for Remote Monitoring of Patients https://www.ipi-singapore.org/technology-offers/telemedicine-oximetry-system-remote-monitoring-patients	Tech Offer	IPI Singapore
Medical Devices - Imaging	Healthcare innovation	Development of an Automated LogMAR Visual Acuity Assessment System (ALVAAS) https://www.ipi-singapore.org/technology-offers/development-automated-logmar-visual-acuity-assessment-system-alvaas	Tech Offer	IPI Singapore
Medical Devices	Regional Health System	Bridging Language Barriers with the Integrated Healthcare Communicator https://www.ipi-singapore.org/technology-offers/bridging-language-barriers-integrated-healthcare-communicator	Tech Offer	IPI Singapore
Medical Devices	Regional Health System	BenGuard - A Vial Safety Cap for Prevention of Errors in Insulin Delivery https://www.ipi-singapore.org/technology-offers/benguard-vial-safety-cap-prevention-errors-insulin-delivery	Tech Offer	IPI Singapore
Medical Devices	Healthcare innovation	Feedback controlled E-Push System for Hospital Beds to Enhance Maneuverability https://www.ipi-singapore.org/technology-offers/feedback-controlled-e-push-system-hospital-beds-enhance-maneuverability	Tech Offer	IPI Singapore
Electronics - Sensors & Instrumentation; Infocomm - Internet of Things & Wearable Technology	Tech intermediary	Sense and Track using IoT https://www.ipi-singapore.org/technology-offers/sense-and-track	Tech Offer	IPI Singapore
Healthcare - Pharmaceuticals & Therapeutics; Materials - Bio Materials; Personal Care - Cosmetics & Hair; Personal Care - Nutrition & Health Supplements	Artificial skin technologies. Validation/testing/development of dermatological products	In vitro human skin https://www.ipi-singapore.org/technology-offers/vitro-human-skin	Tech Offer	IPI Singapore

Medical Devices - Imaging	Healthcare innovation	Improving Spatial Resolution of Clinical Diffusion Weighted MR Images through Super-Resolution Techniques https://www.ipi-singapore.org/technology-offers/improving-spatial-resolution-clinical-diffusion-weighted-mr-images-through-super	Tech Offer	IPI Singapore
Medical Devices - Imaging	Healthcare innovation	Multi-functional Hybrid-Polymeric Nanoparticles for Drug Delivery and Multimodal Imaging of Cancer https://www.ipi-singapore.org/technology-offers/multi-functional-hybrid-polymeric-nanoparticles-drug-delivery-and-multimodal	Tech Offer	IPI Singapore
Medical Devices	Academic Medical Centre	Corneal Lenticule Reimplantation Method Following Cryopreservation https://www.ipi-singapore.org/technology-offers/corneal-lenticule-reimplantation-method-following-cryopreservation	Tech Offer	IPI Singapore
Medical Devices	Academic Medical Centre	Novel Target for Development of a Therapeutic to Treat Brain Cancer https://www.ipi-singapore.org/technology-offers/novel-target-development-therapeutic-treat-brain-cancer	Tech Offer	IPI Singapore
Medical Devices	Academic Medical Centre	Device for in-office Tracheal-Esophageal Puncture (TEP), Prosthesis Sizing and Insertion https://www.ipi-singapore.org/technology-offers/device-office-tracheal-esophageal-puncture-tep-prosthesis-sizing-and-insertion	Tech Offer	IPI Singapore
Medical Devices	Academic Medical Centre	Predfilim - Sustained Release Drug Delivering Microfilm Ocular Implants https://www.ipi-singapore.org/technology-offers/predfilim-sustained-release-drug-delivering-microfilm-ocular-implants	Tech Offer	IPI Singapore
Medical Devices - Healthcare/Telehealth	Academic Medical Centre	A Portable Device for Real-Time Risk Stratification of Adverse Cardiac Events https://www.ipi-singapore.org/technology-offers/portable-device-real-time-risk-stratification-adverse-cardiac-events	Tech Offer	IPI Singapore
Medical Devices	Academic Medical Centre	Ultrathin Flexible Force Sensor for Biomedical Interfaces https://www.ipi-singapore.org/technology-offers/ultrathin-flexible-force-sensor-biomedical-interfaces	Tech Offer	IPI Singapore
Medical Devices - Imaging	Healthcare innovation	Vesico-Urethral Connector https://www.ipi-singapore.org/technology-offers/vesico-urethral-connector	Tech Offer	IPI Singapore
Novel Collagens for Research, Cosmetic and Medical Applications	Developer of collagen solutions for tissue regenerations, wound and burns dressings, 3D bioprinting applications in terms of bio-inks, etc.	Novel Collagens for Research, Cosmetic and Medical Applications https://www.ipi-singapore.org/technology-offers/novel-collagens-research-cosmetic-and-medical-applications	Tech Offer	IPI Singapore
Environment, Clean Air/Water - Biological & Chemical Treatment; Environment, Clean Air/Water - Automation, Control, Communication; Life Sciences - Agriculture & Farming; Life Sciences - Industrial Biotech Methods & Processes	Developer of technologies for water treatment, large-scale algae cultivation system, and algae-based products	High Yield and Efficiency Photo-bioreactor (PBR) utilizing renewable energy sources. https://www.ipi-singapore.org/technology-offers/high-yield-and-efficiency-photo-bioreactor-pbr-utilizing-renewable-energy-sources	Tech Offer	IPI Singapore
Advanced Manufacturing	Developer of interactive scanning technology with smart labels	Smart Labels: Marketing, Logistics Management & Security https://www.ipi-singapore.org/technology-offers/smart-labels-marketing-logistics-management-security	Tech Offer	IPI Singapore
Advanced Manufacturing for Foods - Commodities/Storage	IP intermediary	Cold Air Dehydrator and Natural Air Convection System https://www.ipi-singapore.org/technology-offers/cold-air-dehydrator-and-natural-air-convection-system	Tech Offer	IPI Singapore
Medical Devices		Stem Cell-based Wound Dressing Patch for Wound Healing https://www.ipi-singapore.org/technology-offers/stem-cell-based-wound-dressing-patch-wound-healing	Tech Offer	IPI Singapore
Medical - Telehealth, Medical Software & Imaging; Healthcare - Diagnostics	microscopy, high-speed, contrast, background rejection solutions	Ultrafast Light Microscopy with Optical Sectioning https://www.ipi-singapore.org/technology-offers/ultrafast-light-microscopy-optical-sectioning	Tech Offer	IPI Singapore
Medical Devices	Development of microneedle solutions	Dissolvable Microneedle System for Drug Delivery and Diagnostics https://www.ipi-singapore.org/technology-offers/dissolvable-microneedle-system-drug-delivery-and-diagnostics	Tech Offer	IPI Singapore

Environment, Clean Air/Water - Sanitisation	Development of ozone systems for air, water, waste water, agri-food and gas liquid mixing technology for industrial, commercial and municipal applications.	Microbubble System for Water and Waste-water Treatment https://www.ipi-singapore.org/technology-offers/microbubble-system-water-and-waste-water-treatment	Tech Offer	IPI Singapore
Medical - Healthcare	Development of 3D scientific and biological printing technologies	Novel Modular High Precision 3D Bio-Printing https://www.ipi-singapore.org/technology-offers/novel-modular-high-precision-3d-bio-printing	Tech Offer	IPI Singapore
Environment, Clean Air/Water - Filter Membrane/Absorption Material; Materials - Nano Materials	Handles the Arsenic absorbent materials for production and distribution of the arsenic filter – with world wide distribution rights.	Arsenic Removal Adsorbent	Tech Offer	IPI Singapore
Environment	Government environment agency	Seeking Innovative Solutions for Cleaning of Drop Inlet Chambers (DIC) https://www.ipi-singapore.org/technology-needs/seeking-innovative-solutions-cleaning-drop-inlet-chambers-dic	Tech Need	IPI Singapore
Environment	Government environment agency	Seeking Innovative Solutions for Clearing of Flotsam and Litter from Waterways https://www.ipi-singapore.org/technology-needs/seeking-innovative-solutions-clearing-flotsam-and-litter-waterways	Tech Need	IPI Singapore
Environment	Government environment agency	Seeking Innovative Solutions for Cleaning of Staircases https://www.ipi-singapore.org/technology-needs/seeking-innovative-solutions-cleaning-staircases	Tech Need	IPI Singapore
Aviation	Aviation authority of Singapore	Seeking Innovative Solutions to Clean Aircraft More Efficiently https://www.ipi-singapore.org/technology-needs/seeking-innovative-solutions-clean-aircraft-more-efficiently	Tech Need	IPI Singapore
Medical/Healthcare	National healthcare organisation	Seeking Solutions for Cleaning of Beds to Replace Manual Washing and Scrubbing with a Water Hose https://www.ipi-singapore.org/technology-needs/seeking-solutions-cleaning-beds-replace-manual-washing-and-scrubbing-water-hose	Tech Need	IPI Singapore
Medical/Healthcare	National healthcare organisation	Seeking Solutions to Reduce Manpower Reliance for the Manual Cleaning of Toilets and Discharged Beds https://www.ipi-singapore.org/technology-needs/seeking-solutions-reduce-manpower-reliance-manual-cleaning-toilets-and-discharged	Tech Need	IPI Singapore
Environment	Public Housing agency	Seeking Apps to Allow Volunteers in the Flats to Supplement the Cleaning Work and Keep the Block Clean so as to Take Charge of the Cleanliness of their own Common Corridor Space https://www.ipi-singapore.org/technology-needs/seeking-apps-allow-volunteers-flats-supplement-cleaning-work-and-keep-block-clean	Tech Need	IPI Singapore
Environment	Public Housing agency	Seeking Solutions for a Better Way of Removing the Heavily Laden Rubbish Bins from the Recesses of the Refuse Chutes https://www.ipi-singapore.org/technology-needs/seeking-solutions-better-way-removing-heavily-laden-rubbish-bins-recesses-refuse	Tech Need	IPI Singapore
Environment	Public Housing agency	Seeking Solutions for a Better Way of Effecting Monthly Residential Block Washing https://www.ipi-singapore.org/technology-needs/seeking-solutions-better-way-effecting-monthly-residential-block-washing	Tech Need	IPI Singapore
Environment - Sustainability	Lead government agency in Singapore spearheading the planning, promotion and development of a dynamic industrial landscape	Sustainable Solutions for Building Operations and Maintenance https://www.ipi-singapore.org/technology-needs/seeking-solutions-open-grant-call-sustainable-solutions-building-operations-and	Tech Need	IPI Singapore
