

ČIRI-BIRI BAJKA

Čiri-biri Bajka is a family cooperative game that takes players on an adventure of creating their own unique fairy tale.

By exploring the world as fairy tale characters with special abilities, players will solve three quests: plot, climax and unfolding. On their turn, each player assumes the role of storyteller and, while performing their actions, narrates what happens in the story.

*Čiri-biri Bajka" is a combination of the Croatian phrase "Čiri-bu čiri-ba", which is often associated with magic, and the Croatian word for "fairy tale". We are working on a name that will be adapted for the worldwide market.

Create your own fairy tale and learn a valuable lessons:

1 | Put together your character and get in the role! You can be anyone you want and you get character traits and your own special abilities.

2 | Discover, build and explore a fairy tale world! It is full of magical items and mystical creatures that will make your adventure even more exciting.

3 | The Storymeter and Story Cards will guide you in creating your own fairy tale. Be prepared for unusual events and missions that you will have to solve creatively!
