

Our company has been providing logistics services since **2008**. Every day, we make sure that our customers' goods are delivered on time to their recipients all over the world, and that their transport costs are optimally planned. Our operations comply with international quality standards **ISO 9001** and ISO 14001.

We are successfully growing to meet the needs of our clients and currently offer warehousing services in a brand **NEW 5500 sq. m.** warehouse at Minijos st.181, Klaipeda. We provide **3PL** or stand-alone logistics services to help you streamline your logistics processes. 5 loading bays. Available from Q3 2024. Possibility to equip according to clients needs.

#### **OUR services:**

- Long-term and short-term warehousing.
- Selection of goods to order, cross - dock services.
- Quantitative and qualitative inspection of goods, sorting.
- Order management and real-time stock accounting.
- Labelling and packaging services, stock control.
- Customs documentation management for imported, exported or goods in transit.
- Monitoring of expiry dates, product quality and document control, detailed inventory of goods

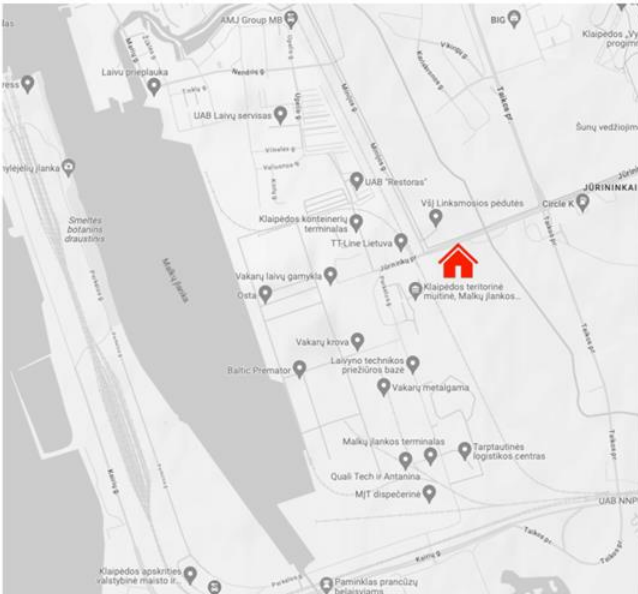

Standard pallet loads, big bags and other non-standard, oversized loads, container loads.

## Strategically located:

The Port of Klaipeda is the only non-freezing port in the Baltic Sea region. Shipping is year-round, 24/7.

- The new warehouse is located ~200 m from the Port of Klaipeda's handling terminals.

**Our goal** is to provide top quality, professional logistics services. We are always looking for out-of-the-box, unique solutions that will bring the most value to our customers and exceed their expectations.

### Our benefits:

- We are part of the Klaipeda Terminal Group, which operates **2 cargo terminals** in the Port of Klaipeda, with an annual cargo handling capacity of approximately **9.5 million tons**.
- We have **15 years of experience** in logistics.
- We provide comprehensive one-stop shop services.
- We handle cargo from containers and prepare it for storage (covered warehouses **82 500 sq. m**, open warehouses **162 000 sq. m**).
- We pack bulk and liquid cargo in various containers and load it into containers.
- We weigh, palletize, sort, label and prepare cargo for onward transport.
- We ensure that our clients freight journey is completed from **door to door**.
