

PE "VILIS" was founded in 1996 and today is one of the largest Ukrainian manufacturers of pasta products

- 28 years on the Ukrainian market.
- Modern automated production: pasta, instant noodles, apple jam (marmalade).
- Own logistics center
- Export to 10 countries of the world.

The production of PE "VILIS" complies with international norms and standards. Modern technological equipment, natural raw materials, coordinated work of a professional team, and constant technological improvement ensure the highest quality of products.

The enterprise has implemented a food safety management system in accordance with DSTU 7043:2009, ISO 22000:2005, ISO 9001:2015, and the requirements of the international system "HACCP" and the "HALAL" and IFS food certificates. We can guarantee that our products are of high quality and absolutely safe.
